What is the concept behind the exhibit?

When you exhibit, you will be required to provide up to three high-resolution images of your art for print media, a photograph of yourself (the artist), and an artist statement. Our PR person will also be in contact to interview you about your journey as an artist and what art and the exhibition mean to you. That information will be turned into a press release for potential publication in newspapers, etc.

Your art should be delivered to the Center one week in advance of the opening. You must pick up your art within five business days of the end of your exhibition.

There will be one reception for your exhibition. If you have related class ideas, please include those in this application or the email you send.
